

PATTI L. CURTIN

INTERNATIONAL SPEAKER | AUTHOR | TEACHER

Hope, purpose, and second chances,
spoken from the heart.

A MESSAGE AUDIENCES REMEMBER

After decades of guiding people through some of life's hardest moments as a 911 dispatcher, Patti entered retirement and faced a quieter emergency of her own: Who am I now? Her answer became a mission to help others rediscover hope, purpose, possibility, and the courage to begin again.

"Where is your emergency?
Help is already on the way."
